

CAPABILITY STATEMENT

Bivins Group LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and NC HUB-certified firm delivering secure storage solutions, logistics services, and facilities support to federal agencies nationwide.

Headquartered in Greensboro, NC, we specialize in fully managed federal storage services — from facility sourcing and access coordination to status reporting and property accountability. Our leadership team brings together decades of **federal procurement, logistics, and contract operations experience, giving Bivins Group a direct understanding of what military installations and federal agencies need from a storage contractor.**

Bivins Group combines operational execution with strategic problem-solving. Our leadership team brings **experience managing complex federal programs, compliance initiatives, logistics operations, vendor networks, and mission-critical support services.** This unique combination allows us to quickly understand agency challenges, develop practical solutions, and successfully execute projects across multiple disciplines.

Our Leadership Team

Brion Bivins, Co-Founder & CEO — Retired U.S. Coast Guard SK1 with 20+ years of federal procurement, logistics, vendor coordination, and real-property operations across multiple commands. Oversees contract administration, operations, and performance accountability across all Bivins Group engagements.

Danielle Bivins, Co-Founder & Managing Principal — 16+ years of federal contract management, vendor oversight, and program administration experience. Oversees contract compliance, reporting, and performance accountability across all Bivins Group engagements.

Our Previous Contracts

USCG Base Elizabeth City — Laundry & Linen Services (2025–2026) Bivins Group provided weekly pickup, laundering, quality control, and delivery of approximately 2,000 pounds of linens and bedding per month supporting Coast Guard lodging operations. Services included recurring collection and delivery scheduling, inventory accountability, quality assurance inspections, and contract performance reporting.

Our Current Contracts

Bivins Group currently holds the following active federal contracts:

- 1. Department of Veterans Affairs — Wall-to-Wall Equipment Inventory (36C25726P0441, 2026–Present)** — Bivins Group was awarded this SDVOSB set-aside contract to perform a comprehensive wall-to-wall physical inventory of fixed equipment across the Dallas VA Medical Center and 19 supporting locations, covering approximately 50,000–60,000 equipment items. Services include room-by-room scanning using contractor-furnished hardware, reconciliation against VA's AMES/MERS system, daily progress reporting, and final reconciliation package delivery.
- 2. USCG Recruiting Command — Secure Storage Services (2025–Present)** — Bivins Group provides **secure, climate-controlled storage solutions** supporting **Coast Guard** recruiting operations. Services include **facility coordination, access management, and property accountability** ensuring **uninterrupted access to government assets**.
- 3. USCG Recruiting Command — Fitness & Wellness Access (2026–Present)** — Bivins Group coordinates commercial fitness facility access for Coast Guard recruiting personnel, supporting readiness standards through vendor management, membership administration, and billing compliance.
- 4. Fort Bragg — Ice Storage & Delivery (W9124726PA022, 2026–Present)** — Bivins Group provides ice storage and delivery services supporting installation operations at Fort Bragg under Army Contracting Command – Fort Bragg.
